Hi Sarah,

Sorry, I was off yesterday. Was OK included in that global settlement that the United States brokered with VW? If so, then, yes, I'll include this case in the recusal statement.

Justina, do you need any other info from me on this?

Because we hadn't had any discussions about this specific case we have just been screening both myself and him from anything having to do with it. Let me know if you think it needs to be added to the recusal.

Hi,

I just heard that the Administrator told OECA yesterday that he is recused from discussions about the VW emissions settlement. I don't know why. Do you know why? I'm trying to ascertain if I need to add VW to his recusal statement.

Thanks,  
Justina
